MGPL LAUNCHES NEW WEBSITE!

It's finally here! On November 1st the Morton Grove Public Library will officially switch over to our new website. The new website will be easier to navigate and allow you to more easily see and register for upcoming events, search the library catalog from any page, find answers to questions on how to use the library and your library card, do research and get homework help, find a good book to read, contact us and much more! There will be a sneak preview of the new site at the Library's 3rd annual Tech Fest on October 20th. With the launch of the new website the library will also begin a transition to our new, easier-to-remember web address, www.mgpl.org. For the next few months you will be able to access our site using either www.mgpl.org or www.webrary.org. No matter how you find us, we think you'll like what you see!

REDUCE, REUSE, RECYCLE THE LIBRARY'S MAGAZINES

Have you ever wondered what the Library does with older magazines? At MGPL we like to follow the three R's of waste reduction - Reduce, Reuse, and Recycle - by offering our patrons an opportunity to take home magazines that are being withdrawn from the collection.

For most magazines, the Library retains the current year and the previous year. At the end of December, we have to make room for the upcoming year. Any patron can request back issues from the Adult, Teen and Youth magazine collections. They are free for Morton Grove residents, but cost 10 cents per issue for non-residents. Only the entire year of a magazine can be requested; we are unable to fill requests for individual issues. For example, a request for *People* will include 52 issues. Requests are handled in the order that they are received, and the Library reserves the right to limit the number of titles requested by a patron.

Magazines can be requested from November 1, 2012 through December 12, 2012. By December 17th, an email or a phone call will be made to inform you that magazines are available for pickup at the Circulation desk.

Patrons interested in requesting magazines may:

- **email requests to info@webrary.org**
- **leave written requests at the Reference Services Desk or Youth Services Desk**
- **mail requests to MGPL Serials Dept., 6140 Lincoln Ave., Morton Grove IL**

POSTAL CUSTOMER

MR. M EXPLAINS...

Mr. M (as in "M"orton Grove) is the Library's online avatar, or persona, and usually hangs out on the Library's Twitter and Tumblr pages, as well as the online catalog. He's now made the jump to the print world, with a regular column in *Books & Beyond* where he will provide concise descriptions of materials and services provided by the Library.

CONSUMER HEALTH COMPLETE

Mr. M is no hypochondriac, but once in a while he decides to spend some time online looking for medical and fitness information. He does not google it though, but instead logs in to Consumer Health Complete (CHC) online with his MGPL card. He appreciates the fact that CHC provides authoritative, easy-to-understand mainstream and alternative medical information.

Overviews of a health-related topic, hundreds of medical images and videos, pamphlets and full text articles -- Mr. M can indulge in information!

With fluency in many languages, Mr. M keeps his mind fresh and often uses the CHC language translation tool to translate articles he is interested in into one of the 30 available languages.

Would you like to explore this electronic resource, too? Reference Librarians will be happy to lend you a hand! Come in, call 847-929-5101, e-mail info@webrary.org or just access it at databases.webrary.org.
